

Find

Mustang has always delivered the freedom of the road, but now, it offers an utterly immersive experience. With fighter jet-like cockpit, a new, more aggressive design, and thrilling engine choices, the New Mustang lineup will stir your soul like never before.

Since 1964, Mustang has set the benchmark for how performance should look. And this New Mustang is no exception, with a shared design language of sleek aggression that remains true to Mustang's untamed spirit.

Roar power

Breathtaking performance on the track

This newest generation of Mustang gives every driver the chance to experience the athleticism and exhilaration of the world's most famous muscle car, no matter which model you slip behind the wheel of.

Peak performance on any road

Selectable drive modes allow you to automatically adjust steering feel, throttle response, exhaust volume and electronic stability control to suit every drive. On-screen, unique animations and cluster appearances, powered by the same Unreal Engine 3D software used in video games, accompany each drive mode.

Adrenaline-boosting drift brake co-developed with Formula Drift champions, Mustang's drift brake flatters novices, and supports experts, on the race track. A torque-sensing limited slip differential helps you guide your slide with ease.

Technology to enhance every drive

Excitement starts from within

Sitting in the driver's seat feels less like being in a car, and more like a fighter jet. Twin screens before you, controls at your fingertips and a dark cocoon of comfort all around.

On-screen, every pixel counts, with endlessly customisable displays and unique drive mode-specific visuals to give you a fully immersive experience.

Mustang GT Fastback

More powerful than ever

The 5.0L V8 introduces a range of technological upgrades, including twin air intakes and dual throttle bodies, helping to generate even more horsepower than its legendary predecessor.

5.0% V8 engine

328kW@7000rpm / 540Nm @5100rpm 10-Speed Automatic Transmission

Dark Horse

10-Speed Automatic Transmission

Unique Dark Horse performance and appearance upgrades

Street legal. Track ready.

Experience the thrill of the New Mustang Dark Horse as it roars to life, drowning out all distractions with its exhilarating athleticism.

Evasive Steer Assist

If Pre-Collision Assist with Autonomous Emergency Braking (AEB) determines the distance is too short to brake in time to avoid a collision, your Mustang will provide steering support (without steering for you) to help you avoid the obstacle.

Pre-Collision Assist with Autonomous Emergency Braking (AEB)

Mustang can alert you to a potential collision with a vehicle, cyclist or pedestrian in front of you and now, also while turning at intersections. If you don't take corrective action, the brakes can apply automatically.

Post-Collision Braking

Post-Collision Braking automatically applies moderate brake pressure when an initial collision event is detected. Slowing the vehicle after impact can potentially lessen injury and damage to the vehicle, as well as reduce the severity of a potential secondary collision.

Reverse Brake Assist

Your Mustang can detect if there is an object or pedestrian behind you or a vehicle about to cross at the rear. It will sound an alert and if you don't react in time will brake for you.

Adaptive Cruise Control and Lane Centring

Adaptive Cruise Control allows you to maintain a preset speed and distance from the vehicle ahead, slowing to a stop, then returning to your set cruising speed once traffic clears. Plus, Lane Centring helps keep your vehicle properly centred in the lane.

BLIS with Cross Traffic Alert

Blind Spot Information System (BLIS) helps you change lanes, alerts you when a vehicle enters the blind spot zone and will even resist the lane change if you miss the warning. Cross-Traffic Alert warns of traffic approaching from the sides when the vehicle is in reverse.

We're constantly introducing new tools and services, designed to adapt to your needs throughout the life of your vehicle.

FordPass

FordPass puts the ownership experience in the palm of your hands. With the app, you'll enjoy remote access and control to features like Remote Start/Stop, Vehicle Health Alerts, Vehicle Locations and Online Service Booking* anytime, anywhere.

(www.

Online Service Booking*

You can now book a service for your Ford using the FordPass app or by visiting the Ford website. Simply enter the website or the app and select your preferred Ford dealer to get your vehicle serviced with the least amount of hassle. You can also edit or cancel your booking at any time from wherever you are.

Ford Offers a holistic suite of service, maintenance, extended warranty and roadside assistance products aimed at keeping your Mustang in top running condition.

The Ford Mustang recommended Retail Price includes a 6year/90 000km Ford Optional Service Plan. In addition, Ford Protect Extended Service Plan and Ford Protect Extended Premium Maintenance Plan can be purchased directly from the Finance and Insurance Manager at any Ford Authorised dealership. The Ford Protect Optional Service plan will cover the scheduled services on your selected plan based on the time, intervals, and kilometres. For complete peace of mind motoring the Ford Protect Extended Premium Maintenance Plan covers scheduled services, preventative care, and replacement of "wear and tear" components as well as mechanical and electrical failure. Terms and Conditions apply.

Ford Protect Extended Warranty options: Covering your vehicle for up to 7 years or 200 000kms from the original warranty start date.

Ford Protect Extended Service Plans options: Available for up to 8 years or 165 000kms from original warranty start date.

Ford Protect Extended Maintenance Plan option: Ford Protect has 6 years or 90 000kms from the original warranty start date.

Roadside Assistance: Opt for an additional 1- or 2-years Roadside Assistance.

Please contact your nearest Ford Dealer for more information regarding Ford
Protect plans and products options or visit www.ford.co.za/owner/ford-protect/

Errors and omissions excepted (E&OE). **New Vehicle Limited Warranty.

Express Service*

Ford's 60-minute Express Service is specifically meant for reduced service wait times and when time is of the essence. Our qualified Ford technicians ensure that your vehicle is serviced without any compromise, giving you back more time on the day of service.

Vehicle Pick-up & Delivery*

With Pick-up & Delivery, we can service your vehicle while you stay at home, one of Ford's friendly dealers will do the round trip for you via the pick-up and delivery service.

*Available at selected Ford dealerships only.

Intelligent

- *Leather is a combination of leather and high-quality, durable materials.
- **Blue Ember is 100% fitted with the Appearance Pack.

Atlas Blue, Dark Matter & Lucid Red availability depends on Dealer Stock.

- 1. Use of FordPass™ is subject to the FordPass™ Terms and Privacy Policy and the Connected Vehicle Terms and Privacy Policy available on www.ford.co.za/fordpass/ and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass™ App on your mobile device, including associated fees. The FordPass™ App and FordPass™ Connect modem can only work when both are connected to the telecommunications network. Ford cannot guarantee that FordPass™ will be in fully operating condition at all times and the FordPass™ App may be unavailable or particular FordPass™ services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Vehicle Local variable on selected SYNC® models and is compatible with select smartphone platforms.
- **Warning:** Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. Refer to FordPass terms and conditions on our website for connected service offered periods.
- 2. Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions.

See Owner's Manual for details and limitations.

- 3. Fuel economy and emission figures obtained from controlled tests on a combined cycle. Note that the actual fuel consumption and emission will depend on many factors including your driving habits, prevailing conditions and your vehicles equipment, condition and use. Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specification either temporarily or permanently without incurring any liability to any prospective purchasers.
- 4. Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC 4 features are compatible with all phones. For more details see ford.co.za/technology/sync/
- 5. Apple CarPlay™ / Android Auto™ requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service. SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using those functions.
- 6. BANG & OLUFSEN™ and B&O™ are registered trademarks of Bang & Olufsen Group. All rights reserved.
- 7. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible.
- 8. Wireless Charging only available with compatible phones.
